CARES Act – Paycheck Protection Program

Access to lenders

We have access to lenders who are prepared to accept applications for the Paycheck Protection Program Loan under the CARES Act (“*PPP Loan*”).

Expedited loan approval

We are available to assist business owners with applying for a PPP Loan, including the following services that are likely to *make it easier and quicker for lenders to approve the PPP Loan and disburse the funds*:

√ review the information on the PPP Loan application to determine whether there are any deficiencies and advise you how to correct them to comply with the requirements;

√ review the documents that support the PPP Loan application and determine whether there are any deficiencies and advise you how to correct them to comply with the requirements before submitting the application to the lender;

√ coordinate our services and counsel with your tax advisors, if and as necessary; and

√ represent your business (with the full protection of the attorney-client privilege) to the PPP loan program administrators and other applicable government officials.
